PROFILE

Hello there! My name is Daisy Rafferty, I am 18 years old and I am currently studying Television and Film at Edinburgh College. I am looking for jobs in the industry that will challenge me, help grow my skill set, confidence and let me gain valuable experience. During the past 3 years of studying through different college's I've grown my knowledge and improved upon my skills in multiple areas in this industry.

EXPERIENCE

Videographer & Editor

Edinburgh Festival Carnival

FEB 2025-MAR 2025

I had the opportunity to tour Brazil with Edinburgh Carnival Festival along with 10 percussionists, to direct, film and edit a documentary that highlights the culture, history, and significance of samba reggae and the importance of cultural exchanges. I learned a lot while I was away in Brazil and faced many challenges, I loved learning about the culture and meeting so many incredible people along this journey.

Videographer & Editor

Edinburgh Festival Carnival

May 2025

Following my time in Brazil, I was called back to help with another event hosted by Edinburgh Carnival Festival, North Edinburgh Community Festival. I got to use the skills I gained in Brazil and put them to the test. I had a great time documenting this event, making lots of connections, and learning new ways to work while filming these sorts of events.

Media Sales Assistant

Amber Speed Media

JAN 2025-Present

During my time working with Super Cars and Amber Speed Media, I have gained more experience working with computers and files, talking to customers, I have expanded my knowledge on photography and video, I have developed these skills to where I can work efficiently in fast pace environments

Sales Assistant

The Gift Company

MAR 2024-Present

During my time working at The Gift Company I have gained valuable retail experience, lots of new skills, boosted my confidence when speaking to others/customers, I have learned how to work and communicate as a team, how to work with stock and products, and I have learned how to sell and market these products to our customers.

EDUCATION

HND Television & Film

Edinburgh College

2024-2025

This is the most recent course which I am currently studying. Through out my time at Edinburgh College I have had so many great opportunities to build upon my skill set, grow my knowledge, work with industry level equipment and software, and learn how to correctly work on a film set through our own productions; Short Films, Documentaries, Events, and Personal Projects

HNC Creative & Digital Media

West Lothian College

2023-2024

Through out my time studying at West Lothian College, I developed most of my skills in theory based media, all stages of production, focused on my professionalism, time management, paperwork, technical aspects of film, and even had the opportunity to work with the BBC Social to create a short video for their website

FA Digital Media Studies
